## ⊗ The Grass is Greener with Celebrity Cruises®

During your cruise, you can experience all the reasons why the grass is greener with Celebrity. Reasons such as our in-depth destination experiences, superlative service, and globally inspired cuisine. Partners like Canyon Ranch®, and the fact that Celebrity is the first Authorized Apple® Specialist at sea. Or spacious stateroom verandas, where you can enjoy breakfast or a picnic in private...or sexy, stylish spaces crafted by creative architects and designers. And, of course, the half-acre of real grass at the Lawn Clubs on our Solstice Class ships. These things make all the difference. By choosing Celebrity, you've chosen the ultimate modern luxury vacation. Enjoy every minute of it.

Visit your Captain's Club Host, Michael's Club Concierge or one of your Celebrity iLounge staff to receive your promotion code for this valuable offer.

## ⓘ Information

### Evening Chic

Formal Night gets a modern luxury reboot. Say goodbye to Formal Night, and hello to Evening Chic. It's your time to shine—your way. Get glamorous. Get chic. Be sophisticated. While dressier than Smart Casual, Evening Chic is intended to be less dressy than Formal attire. Women should feel comfortable wearing a cocktail dress or a skirt, pants or designer jeans with an elegant top. Men should feel comfortable wearing pants or designer jeans with a dress shirt, button-down shirt or sweater. A sport coat or blazer is completely optional. Evening Chic means that you can get glamorous and be sophisticated in your own way. If you would like to still wear a tuxedo or formal gown on Evening Chic nights, you absolutely should.

### Keeping You Connected At Sea

Through an agreement with Wireless Maritime Services, Celebrity Equinox is equipped with an advance roaming network that allows you to use your mobile device just like at home. You can place and receive calls and use data services on your device while the ship is at sea. International roaming charges will be billed conveniently by our regular service provider. More details available from Guest Relations, Deck 3.

### Health Alert

Center for Disease Control (CDC) recommends that travelers to the Caribbean protect themselves from mosquito bites. Mosquitoes spread many types of viruses and parasites that can cause diseases like chikungunya, dengue, Zika, and malaria. If you are traveling to an area where malaria is found, we encourage you to take precautions to avoid mosquito bites by remaining in well-screened or air-conditioned areas when possible, by wearing light-colored clothing that adequately covers the arms and legs, and by applying insect repellent to both skin and clothing.

## Top Tips
