NOTICES

Medical Facility

Every Royal Caribbean ship has a medical facility with at least one licensed physician and two nurses in attendance. (The one on Deck 1 is open every day from 8:00 am to 11:00 am / 4:00 pm to 7:00 pm.) Guests are charged for services, and limited medications are available for a fee. Careful What You Flush

Our waste disposal system operates using a highly sensitive vacuum system, so we kindly ask you flush nothing other than toilet paper and human waste down the toilets. Personal hygiene products, hand and bath towels, paper towels, food and other items will shut down the system, adversely affecting many areas around the ship. Thank you for your consideration.

Safety Onboard

For the safety of all guests and crew, there is no running, playing or climbing on stairs and railings anywhere on the ship. Thank you for your cooperation.

Helpful Health Information - Norovirus

Medical experts strongly suggest travelers pay close attention to washing their hands. The experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. Your cooperation and assistance is greatly appreciated.

Discharge of Garbage

"The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. "Discharge of all garbage into the sea is prohibited except provided otherwise. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.
