## NOTICES

### Guest Conduct Policy

Royal Caribbean has a Guest Conduct Policy regarding safety, security, guest conduct, parental and guardian responsibility, alcohol, prohibited items, health and environment, dining areas dress code, age policies, and consequences for violating the Guest Conduct Policy. A detailed policy is available in the Guest Services Directory located in your stateroom.

### Careful What You Flush

Our waste disposal system operates using a highly sensitive vacuum system, so we kindly ask you flush nothing other than toilet paper and human waste down the toilets. Personal hygiene products, hand and bath towels, paper towels, food and other items will shut down the system, adversely affecting many areas around the ship. Thank you for your consideration.

### Helpful Health Information – Norovirus

Medical experts strongly suggest travelers pay close attention to washing their hands. The experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. Your cooperation and assistance is greatly appreciated.

### Discharge of Garbage

"The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. "Discharge of all garbage into the sea is prohibited except provided otherwise. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.
